## Some ideas from the experts:

**Themed parties** are always a hit as they allow participants to get into character and let their hair down. Popular themes include Bollywood, Mad Hatters Party, 60's, 70's or 80's themes.

**On location events** such as lunch or dinner cruises, and beach or bush parties provide a wonderful ambiance and make for a memorable event.

Combine your year-end function with a **team building** event. Choose from one of our many creative itineraries such as the Amazing Race, a Movie Maker Experience or Crazy Cocktails where participants get to create their own exotic concoctions.

We pride ourselves on delivering the highest quality, service and value in one complete package. To find out more contact Corporate Traveller M.I.C.E. today.
