

YOUR.CT & Concur:

Where tech meets travel

(and they get along great!)

Tired of the endless juggle between bookings, policies, and reports?
YOUR.CT powered by Concur is your ally, making business travel straightforward and stress-free.

Booking - Click. Pack. Fly. Repeat.

- Easy does it: Concur-powered bookings that just 'get' you.
- Fare finder: Access low-cost, scheduled, and negotiated fares.
- Policy pals: Options that fit your rules, effortlessly.

Reports - Insights with less 'Yawn' and more 'Yay!'

- See clearly: Compliance and savings, no magnifying glass needed.
- Savings in sight: Spot ways to keep budgets happy.
- Smart moves: Benchmark reports for smart decision-making.

Traveller Tracking – Keeping tabs without being creepy

- Rest easy: Knowing your team's where they should be, safely.
- Risk radar: Leverage itinerary details to offer proactive guidance on destination risks.
- Traveller well-being at a glance: By reviewing itineraries, travel managers can swiftly grasp the toll of demanding travel factors, like red-eye flights and lengthy stays away from home.

Approve & Request - Say goodbye to email ping pong

- Straight through: Requests and approvals, minus the wait.
- Cut the back-and-forth: Because your time's too valuable.
- Happy teams: Save time for both requesters and approvers.

Profile Management - We remember so you don't have to

- One-time entry for traveller details.
- Your way, always: Passport, frequent flyer, and dietary preferences.
- Quick clicks: Simplify booking with saved profiles.

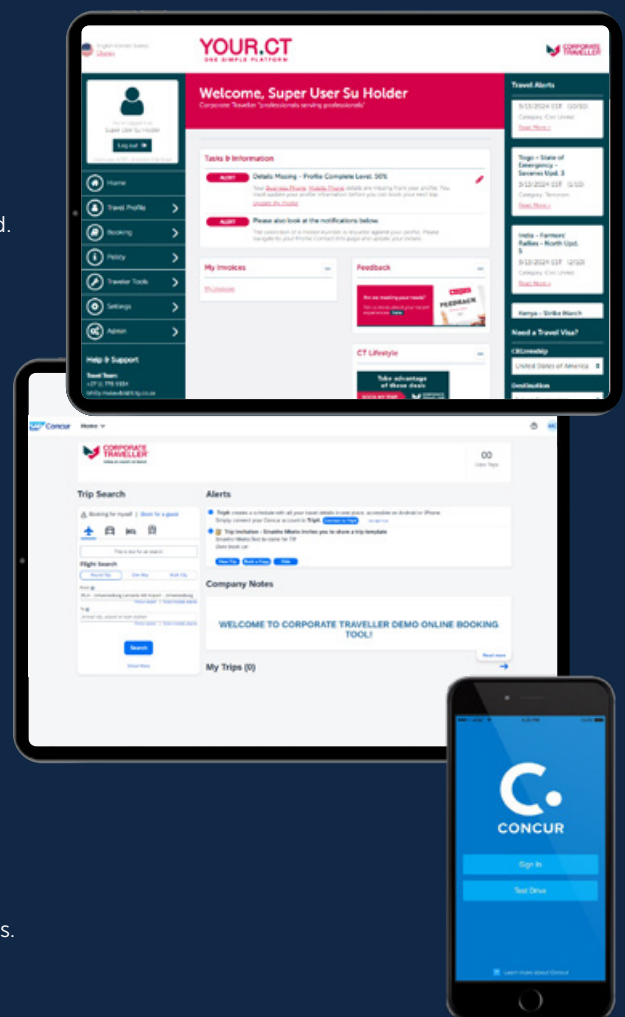

Concur Mobile App - Desktop power, pocket size

- All Concur, no compromise: Desktop power, anywhere you are.
- Stay agile: Book, manage, and keep tabs, on-the-fly.
- Speedy changes: Modify your itinerary on the go.

YOUR.CT powered by Concur:
Making business travel feel less like work and more like adventure.
